

# Reading English

Beitrag von „philosophus“ vom 7. Februar 2005 10:39

I humbly kneel before thee, sire,  
for poetry so rich and fiery.

However, I wonder where the missing word went:

Zitat

sometimes, if you get the hint,  
he is a little full of ...

Am I to assume that it's word you wouldn't like to see in print?

If I were a different person, I would instantly think of the bad m-word. 😊
