Da sind ja der Fantasie keine Grenzen gesetzt... welche Vokabeln hast du denn schon.... also die dann zu kombinieren ist ja wohl mal kein Problem:

Do you like to have a ball in your schoolbag?

Do you like to have a cow in your living-room?

Do you like to have mathematics-lesson in the garden?

Do you like to have red socks on your ears?

Do you like to have flowers in your soup?

Do you like to have a pig in the tub?

Do you like to have your friend on planet mars?
