Floskeln? ..."right" und "stop" und "okay" 😄

"**Right**, let's get on with it then/where were we?/get yourselves organised/etc."

"**STOP** that right now/hitting him/being silly/crawling under the tables/chewing your pen/walking around/talking/making a nuisance of yourself/etc."

"**Okay**, I didn't really need to know that/...aehm, thanks for sharing this piece of completely useless information/settle down and let's get started/etc."

Vor allem "stop" nutze ich in Mathe sehr oft. 😄
