

Fußball und "neuer Patriotismus" - absurde Auswüchse

Beitrag von „Juliet“ vom 12. Juli 2006 23:32

Wahrscheinlich ist das ja schon nicht mehr neu und ich hinke wieder völlig hinterher...habe gerade das Lied "We're Germans" von Mundstuhl entdeckt und als Anglist rollt es einem da alle Zehennägel hoch..falls ihr's noch nicht kennt, werde ich euch den großartigen Text nicht vorenthalten:

We're Germans
football play we better than you
We're Germans
Germans
Hope you like Germans too

Welcome here in Germany
from the Alpen to the sea Germans
in unsre Kneipen you can smoke
Lederhos , Oktoberfest
unsre Biere are the best
gebraut nach Germans Reinheitsgebououout

We're Germans
Germans
football play we better than you
We're Germans
Germans
Hope you like Germans too

And we build the better cars
German Wertarbeiter wars
For example BMW
Des heißt Double U , eschd!

Have the Autobahn gebaut
And we love the Sauerkraut
maybe Westgermany

We're Germans
Germans , Germans , Germans
football play we better than you

We're Germans
Germans , Germans , Germans
Hope you like Germans too Alle

Wir haben die Zugspitze
[Do](#) you know the Lorelei?
Fahr mal auf dem schönen Rhein
and have a look at Norderney

We're Germans
We're Germans Germans
football play we better than you
We're Germans
Germans , Germans , Germans
Hope you like Germans too

Germany is supercool
in Köln every Boy is schwul
Every German has a Bauch
My Oma is German too
our Cows make also "muh"
Hämorriden have we auauauch

We're Germans
football play we better than you
We're Germans
Germans
Hope you like Germans too

We're Germans
Germans , Germans , Germans
football play we better than you
Germans in the name of the lord
Germans , Germans , Germans
Hope you like Germans too

We're Germans Alle
Germans ,
football play we better than you
this is the song for all the Germans
Germans
Come along
Hope you like Germans too

[Do](#) you like the Germans? Germans
Germans , Germans , Germans

[Do](#) you like them?

football play we better than you

[Do](#) you like the Germans?

Germans , Germans , Germans

Hope you like Germans too

Hope you like the Germans
