Geschichte, Year 5. Wir lesen ein paar altertüemliche Texte ueber die Vikinger.

Ich: "You look a bit confused; [do](#) you know what the word *famine* means?"

Schueler 1: "Aehm...a very big woman?"

Ich: "So, you think a huge woman was going around the country? Really?"

Schueler 2: "Well, they are talking about dragons,...who knows what happened in the olden days."
