Na der ist jawohl auch grandios:

President Bush: Peter. Are you going to ask that question with shades on?

Peter Wallsten of the Los Angeles Times: I can take them off.

Bush: I'm interested in the shade look, seriously.

Wallsten: All right, I'll keep it, then.

Bush: For the viewers, there's no sun.

Wallsten: I guess it depends on your perspective.

Bush: Touché.
