

Partnerklasse für Online Austausch-Projekt gesucht

Hello Theresa,

So you're looking only for age 18 and above? I just have classes in year 5 and 6 but would be so interested in having real (live?) contact / pen-friendship with English speakers around the world. But your students being 18+ is really too old. What a pity. What is your preferred tele medium for the exchange: Skype...? Or, as you're writing mail/photos only?
