

Provokationsspammer & Co.

Beitrag von „Meike.“ vom 21. April 2006 14:27

Zitat

Those who feel that they are meant
sometimes oversensitively so
generally are the ones I like better than
those who -
even if you scream it into their ears -
cannot hear, [do](#) not want to hear, will not hear, deny to hear
that they are, indeed, the ones addressed.
Nothing is as tiring as screaming into a deaf man's ears.

Doris Lessing. In einem Brief.

Über Leute, die so tun, als wüssten sie nicht, wer oder was gemeint ist.
