

Weihnachtsfeier ?

Beitrag von „philosophus“ vom 2. Dezember 2003 00:55

Ich habe noch etwas *hüstel* Unbesinnliches zu Weihnachten gefunden (wieder aus dem anglophonen Sprachraum, was mich doch langsam zu der Vermutung treibt, das Commonwealth hat etwas gegen die Feiertage 🙄🙄).

Der australische Brachialkomiker Kevin "Bloody" Wilson (hier seine Homepage: <http://kevin.bloody.wilson.com.au/>) hat einen Alternativtext zu einem bekannten Weihnachtslied geschrieben... - aber lest selbst:

Zitat

Ho Ho Fucking Ho

(Chorus)

Ho ho fucking ho,
What a crock o' shit,
We all work for Santa Claus,
We've had enough, we quit.
Cos we do all the fuckin' work while he stars in the show,
Stick yer Christmas up yer arse, ho ho fucking ho.

I'm Rudolph and I quit.
Just who's he think he is?
That little fat cunt sat back in the sleigh,
crackin' that fuckin' whip.
And me stuck up the front, with these other useless cunts,
Stick yer Christmas up yer arse, ho ho fucking ho.

(Chorus)

Ho ho fucking ho,
What a crock o' shit,
We all work for Santa Claus,
We've had enough, we quit.
Cos we do all the fuckin' work while he stars in the show,
Stick yer Christmas up yer arse, ho ho fucking ho.

And what about us elves,
we've had enough as well,
workin' in that freezing cold, it's cold as fucking hell,

we work until we drop, with our bollocks freezin' off,
stick yer Christmas up yer arse, ho ho fucking ho.

(Chorus)

Ho ho fucking ho,
What a crock o' shit,
We all work for Santa Claus,
We've had enough, we quit.
Cos we do all the fuckin' work while he stars in the show,
Stick yer Christmas up yer arse, ho ho fucking ho.

I'm Santa Claus' wife,
I know what he's really like,
sneakin into those little kid's rooms
he's a fuckin' paedophile,
A devious old drunk,
and I'm married to the cunt,
So stick yer Christmas up yer arse, ho ho fucking ho.

(Chorus)

Ho ho fucking ho,
What a crock o' shit,
We all work for Santa Claus,
We've had enough, we quit.
Cos we do all the fuckin' work while he stars in the show,
Stick yer Christmas up yer arse, ho ho fucking ho.
Stick yer Christmas up yer arse, ho ho fucking ho.
Stick yer Christmas up yer arse, ho ho fucking ho.

Hm, aber vielleicht wäre so ein Text ja von Nutzen in einer Unterrichtsreihe über Substandard-Sprachregister... Naja, auf einer Weihnachtsfeier sollte man ihn wohl nicht vortragen... 

denn, man legte es darauf an, im nächsten Jahr nicht mehr eingeladen zu werden...

(wieder ein Beitrag mit meinem neuen Lieblingssmiley 😊)
