Wenn jemand sich dafür interessiert wie fundamental falsch und absurd Schulpolitik in Florida abläuft:

Was für unglaublich bescheuerte Antworten.

TLDR;

I just don't think this statue is controversial.

We're not going to show the full statue of David to kindergartners. We're not going to show him to second graders. Showing the entire statue of David is appropriate at some age. We're going to figure out when that is.

And you don't have to show the whole statue! Maybe to kindergartners we only show the head. You can appreciate that. You can show the hands, the arms, the muscles, the beautiful work Michelangelo did in marble, without showing the whole thing.
