Vielleicht diese hier? Und der "Butter-Zungenbrecher" geht auch noch etwas länger:

a) Betty Botter bought some butter, but she said "this butter's bitter! But a bit of better butter will but make my butter better" So she bought some better butter, better than the bitter butter, and it made her butter better so it was better Betty Botter bought a bit of better butter!

b) If you understand, say "understand".

If you don't understand, say "don't understand".

But if you understand and say "don't understand".

How do I understand that you understand? Understand!

c) I wish to wish the wish you wish to wish, but if you wish the wish the witch wishes, I won't wish the wish you wish to wish.

d) I thought a thought.

But the thought I thought wasn't the thought I thought I thought.

If the thought I thought I thought had been the thought I thought, I wouldn't have thought so much.
